BACKWATER BBB BLUES BAND

Backwater Blues Band plays a unique style of music with a full rich sound that moves audiences with powerful ballads and upbeat arrangements of traditional, contemporary, and original blues. Since 1997 the band has entertained music lovers of all ages in a variety of venues from small pubs to large festivals.

The band's influences and sound are a range of rockin' Texas blues, soulful Chicago blues, and funky New Orleans blues. The Backwater Blues Band is constantly adding new songs to their repertoire while keeping their current arrangements fresh.

The Backwater Blues Band is constantly adding new songs to their repertoire while keeping their current arrangements fresh. The band's MP3 and YouTube downloads are routinely updated and their latest CD, "*Boisterous and Disorderly*" has been well received.

Whether on the dance floor or tapping their feet at their table, audiences not only hear, but feel the richly spiced arrangements that have been described as having a subtle coolness and smooth funk- known as the *Backwater groove*.
